NOW RAISING COTTON

E. D. GOODE, FORMER ELECTRIC RAILWAY BUILDER, PROMOTER, TURNS RANCHER

E. D. Goode, who was for several years a citizen of Glendale and an enthusiastic booster, has been in the city for several days visiting relatives. He was quite a railroad builder in his day, constructing the Eagle Rock and Verdugo Park lines and helping to secure the right of way for the P. E. on Brand boulevard. He later projected a line west on Broadway to Pacific avenue, south to Vine and west on Vine to the city limits, thence into Griffith Park, and had a short section of track laid and covered over, at the end of Vine St., but could not get a right of way into Griffith Park, so abandoned the project. He says that 14 years ago he was a member of the board of education that bought 2½ acres at the southeast corner of Brand and Fourth street for $750 and had a High School building put up. Mr. Goode now has an 80-acre ranch in the Imperial Valley near Calexico, devoted entirely to cotton raising. He says the yield this year promises to be from one-half bale to two bales per acre. Bales average 500 pounds each and the price is from 33c to 35c a pound. Alfalfa sod turned under makes the best cotton ground. Imperial Valley, says Mr. Goode, is the only cotton raising section in the United States where the plants propagate from the root equally as well as from the seed. There are more than 80,000 acres of Imperial Valley in cotton this year and some fields have not been seeded for six or eight years, the old stalks being cut down in the spring and the ground irrigated, then the roots put forth the new plants. The seed ginned from the bolls just about pays for the picking. Picking begins in August and lasts till the first frost, new bolls forming constantly during this time. Pickers get two cents a pound and make from $3 to $10 a day. Mexicans are the best pickers. A few Southern darkies have moved in during the last year or two and these can hold their own with the best of the pickers when they try.

FROM KEYSTONE STATE

MAN AND WIFE TRAVEL 4200 MILES IN AUTO TO LOCATE IN BEAUTIFUL GLENDALE

C. E. Schimmelfeng and wife arrived in Glendale recently after a 4,200 mile drive in their auto. They had lived in Warren, Pa., where Mr. Schimmelfeng was in the lumber business and also was interested in putting down oil wells. He came by way of Chicago and Denver, then south to the National Old Trails highway which he followed the rest of the way. He had heard of Glendale in his far Eastern home, but the reality so far surpassed his imaginings that he at once bought the Pitner place, 328 West Lexington Drive. He is awaiting the arrival of his household goods and also his camping trailer, loaded with supplies for the trip, which he found too heavy, so shipped it by rail from Chicago. Meantime, he has been offered a substantial advance on what he paid for his place. He thinks some of embarking in the real estate business temporarily while awaiting an opportunity to engage in one or both of his chosen vocations.

While in Los Angeles, soon after his arrival, he was offered $1400 cash by a dealer for his machine which he paid $1365 for a year ago and had traveled over 13,000 miles in.

BIG MEETING OF ELKS

MANY TO INITIATE NEXT MONDAY NIGHT, FINE JINX PROGRAM, EATS

The Elks will have a great time at the regular meeting next Monday night. A class of 25 is waiting for initiation and the candidates will be put through in the style for which 1289 has become locally famous. It will be the last big initiation before the San Diego meeting and contest of October 10th and 11th, for which the drill team under Captain Wattles has been practicing so faithfully. A most entertaining program has been prepared by the Jinx Committee and the eats will be many and varied. A record attendance is expected at this meeting.

WEATHER FORECAST: Fair except cloudy or foggy tonight and in the early morning near the coast.

TRUSTEES' MEETING

PETITION ASKING BOARD TO CALL BOND ELECTION PRESENTED BY CLERK

The Board assembled at 8:30 p. m. September 25, 1919. Present, Trustees Jackson, Muhleman, Shaw and Woodberry. Absent, Trustee Henry.

The minutes of the regular meeting of September 18, 1919, were read and approved, also the minutes of the adjourned session of September 23, 1919.

Changing Fire Limits in the Tropico District

The matter of changing the fire limits in a portion of the Tropico District was brought before the Board by a contractor engaged in erecting a building for Mr. Anderson on the corner of Los Feliz Road and San Fernando Road, and on motion of Trustee Shaw, the City Attorney was instructed to draw up an ordinance amending Ordinance No. 325 making a change in the fire limits of from twenty-five feet to fiteen feet, beginning at a point one hundred and sixty feet east of San Fernando Road, extending southwesterly to the Southern Pacific Ry. Co.'s tracks.

Maps of Selvas De Verdugo Tract Approved

Communication was read from the City Engineer, accompanied by a map of the Selvas De Verdugo Tract, recommending the acceptance of the said map. On motion of Trustee Shaw, the following resolution was adopted:

"Resolved, That the map of Selvas De Verdugo presented by Geo. Hanna, et al., is approved, and the streets dedicated thereby are accepted. It is further resolved that the Board of Trustees do not by this acceptance waive any rights to pass and enforce all necessary ordinances to protect the purity of the water supply in the Verdugo Canyon, nor do they thereby encourage building on cienega lands."

Communications

A communication was read from C. L. Thedaker, agent of the Southernern Pacific Ry. Co. in Glendale, calling attention to the bill due from the city to the Southern Pacific Ry. Co., requesting to be informed as to its present status and the approximate date when the same will be paid. Referred to the city attorney.

(Continued on Page 2)

DEATH OF AGED RESIDENT

Mrs. Cynthia L., wife of A. Lucas Smith, 617 North Adams, died Thursday from heart failure, after a slight illness of a week. She was aged 78 years, 7 months and three days. She and her husband and one daughter, Miss Van Tyne Smith, have been living in Glendale for 12 years. One son, Charles A., of Kansas City, Mo., is here with his wife, and a daughter, Miss Bertha D., of Des Moines, Iowa, will arrive Monday. The other son, Martin P., of St. Louis, will not be able to come. Funeral arrangements will be announced later by the Pulliam Co.

FINE NEW HOME

RESIDENCE OF W. S. AND MISS E. BOHANNON ON MARYLAND NEARS COMPLETION

A large, two-story house of stucco finish which suggests comfort and hospitality is rapidly nearing completion at 316 North Maryland avenue. It is to be the home of W. S. Bohannon and his sister, Miss Elizabeth Bohannon, who now reside at 321 Myrtle street, and the builder, W. S. Carmichael, of Long Beach, is a former resident of this city who has a large circle of friends here. It is an eight-room structure, but the rooms are for the most part very large. A cement floored porch 20 by 8 feet enclosed by a low wall with square pillars at the corners, forms the vestibule of the house entered through a handsome, one-paneled mahogany door a little to the left of the center leading to the main living room; but there are also French doors opening into "the den," a small, cosy room to the left of the larger apartment which has noble dimension,—26 by 15 feet—its south wall centered by a fireplace with book-cases on either side. Double French doors lead to the dining room on the east and opposite these doors on the east wall will be a buffet fifteen feet long. The woodwork in these two rooms will be of mahogany, the doorheads about seven inches wide being continued in a moulding around the room with tinted ceiling and side-wall above and papered walls below. Up stairs and in the other rooms below the woodwork will be of white enamel,

(Continued on Page 2)

FOREST FIRE DANGER OVER

L. A. REPORTS INDICATE THAT ALL FIRES IN ANGELES RESERVE ARE BURNED OUT OR UNDER CONTROL

(Special Service to Glendale Evening News)

LOS ANGELES, September 26.—The forest fires in the Angeles Forest Reserve are practically all under control or burned out today, according to reports received here. About 500 men are still on the fire line in San Dimas canyon where the only fire of any serious proportions is still burning. Forest rangers feel that the danger is over.

PRESIDENT WILSON ABANDONS TOUR

CANCELLATION OF REMAINING SPEAKING DATES INSISTED UPON BY ADMIRAL GRAYSON

(Special Service to Glendale Evening News)

WICHITA, Kansas, September 26.—Ill health due to the strain of the work he has done during the past year today caused President Wilson to cancel suddenly all the remaining speaking dates of his tour. The announcement was first made this morning from the platform in the auditorium here where a vast crowd had assembled to hear the president. The president did not come in to Wichita and did not participate in the parade which had been arranged for him.

Later Secretary Tumulty issued a statement declaring that the strain of President Wilson's work during the past year and of the present tour had caused a nervous reaction in the digestive organs. He said that Admiral Grayson, the president's physician, had insisted that the remainder of the trip be cancelled although the president had objected strenuously.

The president's train will proceed direct to Washington from here. The remaining speeches were scheduled for Wichita, Oklahoma City, Litttle Rock, Memphis and Louisville.

The president did not leave his car this morning but was up and stirring around. Mrs. Wilson was with him constantly and Admiral Grayson spent most of the night with the president.

The president issued a statement at noon expressing his regret at being unable to speak. While the train was in the railway yards here it was moved frequently to avoid the crowds which gathered. Secret service lines were drawn around the train and no one was allowed to approach it.

GUN BATTLE AT CLAIRTON, PA.

STATE AND LOCAL POLICE RETURN EARLY MORNING FIRE OF STRIKERS AND GIVE CHASE

(Special Service to Glendale Evening News)

PITTSBURG, Pa., Sept. 26.—Strikers and state and local police fought a long-range gun battle at Clairton this morning. The firing began between five and six o'clock when a dozen strikers fired on men en route for work in the steel mills. It was still dark and only the flash of the guns revealed the whereabouts of the strikers. The police, having expected trouble, were lying in wait and immediately returned the fire and then gave chase. They captured three strikers. It is not known whether any strikers were wounded although several were heard to scream.

The steel companies are slowly gaining ground in the Pittsburg district. It is expected that the next move of the strikers will be an attempt to cloose the Bethlehem plant. It is reported that September 29th has been set for the strike at Bethlehem. The Bethlehem Steel Company was not included in the first strike call because the company had entered into negotiations with the union, but these negotiations have brought no results.

"A DAY IN COURT"

SAMUEL GOMPERS DECLARES THE ENFORCEMENT OF THIS RIGHT IS ISSUE IN STEEL STRIKE

(Special Service to Glendale Evening News)

WASHINGTON, Sept. 26.—President Gompers of the American Federation of Labor, testifying before the Senate strike investigation, declared today that labor's right to "a day in court" is the issue in the steel strike. He defined labor's "day in court" as the right to unionize and to meet their employers, present their side and have a say. He declared that for twenty-five years this right had been denied by "unwarrantable, brutal and illegal means." Members of the committee feel they are on the way towards bringing together employers and employes.

FRISCO FIRE DESTROYS COFFEE

EIGHT CARLOADS BURNED—FIREMAN BLINDED BY EXPLOSION OF PEPPER

(Special Service to Glendale Evening News)

SAN FRANCISCO, Sept. 26.—Fire today gutted the two upper floors of the Caswell Coffee Company's plant, destroying eight carloads of coffee and quantities of spices. The total loss is $200,000.

One fireman was rendered blind when a quantity of pepper exploded.

GRAPE CROP PROBLEMS

CAR SHORTAGE HAMPERS GROWERS IN REACHING EASTERN MARKETS

H. L. Hayman of La Canada, who is one of the grape growers of that section, has been able to throw light on the cause of the local decline in prices of both wine and table grapes. Producers were jubilant earlier in the season over the excellent price prospects, but the shortage of refrigerated cars has knocked prosperity in the head. The railroad companies insist that the cars shall be kept moving and vineyardists are allowed to keep them only 24 hours. If retained longer heavy demurrage charges are imposed. The shortage of labor has made it difficult to secure pickers in numbers sufficient to fill the cars rapidly, and if the cars are released the companies will not agree to refill requisitions. Mr. Hayman is fortunate in having contracted his crop in advance to the American Fruit Distributing Company, whose representative recently told him that unless conditions change not more than one-third of the San Fernando Valley crop will be moved. Two cars of Mr. Hayman's fruit have gone forward. The first lot had to be held five days awaiting a car. The second car went forward Tuesday. The shortage of cars has thrown an abnormal surplus on the Los Angeles market and this has reduced local prices while the failure of the east to receive expected consignments has stiffened and advanced prices there.

Another factor is the forest fires which have drawn pickers from the vineyards to the fighting line and thus held up the harvesting of the grapes. All this delay will be to the advantage of the shippers who succeed in getting crops to the eastern market from now on because of the better prices they will receive.

Mr. Hayman quotes the statement of one of the largest wine grape growers in the state who told him last week it was a question whether he would be able to get his crop to market as he had an interval of only thirty days from the time the fruit was mature enough to meet the sugar test to the time frost might be expected and the number of cars the railroads were prepared to furnish would probably be inadequate. The car situation has tied the whole matter up. The same conditions apply to table grapes.

To insure themselves against losing cars through delays in trans-shipments Mr. Hayman says that some of the growers in his valley are hauling to the main line of the Southern Pacific in Glendale instead of trusting to transfers by the P. E.

MRS. JACKSON GOES EAST

Mrs. R. M. Jackson of 344 North Maryland avenue, who is the State Secretary of the Christian Women's Board of Missions, left on the California Limited of the Southern Pacific Wednesday night for Cincinnati where she will attend the international convention of the organization. Before returning to California she will visit her old home in Kentucky and also attend a school of missions at Indianapolis. She will be gone about a month.

COMMUNITY SING

A delightful evening was spent by those who attended the Community Sing Thursday evening at Glendale Union High School. The leader was in fine form and the song drill, which included a number of hymns, was followed by instruction in exercises calculated to relax and develop the vocal organs. The splendid instruction given at these sings is having a wonderful effect upon many persons who have longed to sing, but who have never been able to do so until they fell under the efficient leadership of this chorus director.

Officials of the organization were somewhat disappointed at the attendance which about half filled the auditorium. Unless the response is larger and more enthusiastic this sing, which is one of the finest and most profitable civic institutions Glendale has ever had, may not be continued although the city officials, appreciating the work it is doing in stimulating a community spirit and patriotism, have agreed to double their appropriation. The season is young, however, and those in attendance have agreed to act as promotion committees and bring their friends next time in sufficient numbers to fill the hall and justify the work of officials and leader.

Announcement was made that the session next Thursday evening will begin promptly at 7:45 to enable the leader to leave early.

PARENTS JOIN SON

D. D. HAINES AND WIFE COME FROM CONNEAUT, O., FOLLOWING SON AND FAMILY

W. A. Haines, wife and son, Wallace, came to Glendale a few months ago from Conneaut, Ohio, where Mr. Haines and his father, D. D., were in the business of taking panoramic views of scenery and buildings and mounting them for sale to customers. They made pictures six feet in length and under.

Last week D. D. Haines, wife and daughter, Mamie, came out to join the son and brother, for the winter at least, and make plans for transferring the business out here. W. A. had bought the Ben Scott place at 212 West Lomita avenue, he and his wife moving into the rear house, the six-room bungalow on the front of the lot being leased for a few months ahead. D. D. and family are now occupying this house and the two families are greatly pleased with the prospects for their business here.

SERVICE MEN TO MEET

MEMBERS LEAGUE AM. DEFENDERS WILL DISCUSS AFFILIATION WITH AM. LEGION

Glendale's Pershing Camp of the League of American Defenders, a thriving organization made up of service men who participated in the late war which has an enrollment of about forty, will have a meeting at the City Hall Tuesday evening next at 8 o'clock to discuss plans for a permanent meeting place, also the advisability of joining the American Legion, a national organization which is being promoted by Col. Theodore Roosevelt, Jr. Every soldier, sailor and marine in Glendale is urged to attend the meeting and enroll because by so doing he will become a charter member of the national organization with which the camp affiliates.

These ex-service men are the flower of our country. They are the men who will guide her destiny during the next generation, and if their local units are federated in a national organization, it is certain to be a powerful institution. The Tuesday night meeting which is to discus affiliation will therefore be one of importance which no service man should miss. Those who desire information relative to membership or other matters connected with the camp can obtain it from Commander James F. McBryde, Captain Dru Nicoles, Lieut. R. C. Plume or Jesse Flower.

The chairman of the Los Angeles Post of the American Legion has advised officials of the local camp that he will send two excellent speakers to address the Tuesday night meeting and explain the objects and workings of the Legion.

BACK TO GLENDALE

PROPERTY AT BRAND AND CALIFORNIA BEING REMODELED FOR COL. THORNTON

Quite a transformation is being effected in the residence property recently purchased by Col. Tom Thornton at the northwest corner of California and Brand boulevard which he expects to occupy as a home. Kent & Son have charge of the remodeling and have had a force of workmen there for several weeks, restoring the walls, painting and decorating, building an extra bath-room and installing modern plumbing. To the north of the house a pergola with a cement floor and round pillars is being built which will be reached from the dining room through French doors that have been placed in the north wall. The exterior has been painted white, the roof a moss green, and a high wire fence encloses the large grounds where the colonel's valuable dogs will have free range. Colonel Thornton is now living at La Crescenta, but he has always been identified with Glendale. He once occupied property at the corner of Central and Dryden now owned by J. Walter Elliott. He was also the possessor of the property now owned by Mrs. Ella Richardson, on Riverdale Drive and Central Ave., and was a conspicuous figure in politics and local controversies where his magnetic oratory was often employed with great effect. His return to the heart of Glendale will be welcomed.

Mrs. Jack Thomas is to preside at the punch table tonight at the Columbus Dance which takes place tonight at Masonic Temple and which promises to be one of the most enjoyable social functions of the season.

TRADE MARK

The City of GOODRICH Akron, Ohio

Certified By Goodrich More-Mileage Adjustment

Whenever you buy anything, something measures it out, certifying how much of it you get. It may be by yardstick, or a pair of scales.

The tire user has settled on the mile as his measuring unit of service.

Goodrich, accepting his measurement, certifies them both the quality and quantity of Goodrich Tires with the Goodrich More-Mileage Adjustment—6,000 miles for Fabric Tires—8,000 miles for Silvertown Cords.

Goodrich is making what it has pleased thousands of Goodrich dealers and users to tell us "are the best tires the rubber industry has produced."

Then Goodrich Certification steps in, and measures out to the tire user in his own unit *the least* he with proper usage will get from a Goodrich Tire.

It gives tire users the peak standard, at once a gauge to appraise the value of other tires, and a surety bond for the Goodrich Tires he is buying.

Buy Goodrich Tires from a Dealer

GLENDALE, CALIFORNIA, FRIDAY, SEPTEMBER 26, 1919

FINE NEW HOME

(Continued from Page 1)

the staircase ascending from the main living room. North of the dining room on the east is a conveniently arranged kitchen 10x14, and beyond it to the rear of the den a breakfast room about ten feet square. The kitchen equipment includes an automatic water heater and a cooler, and opening from it on the east is a porch where stationary tubs are placed. A garage to match the house is conveniently situated in the back yard.

The up-stairs provides bedrooms for the host and hostess, a guest room, a bathroom, porch for airing bedding, and a sleeping porch adjoining the room of Mr. Bohannon. They expect to have possession of the house about the first of November and will doubtless enjoy their Thanksgiving dinner there.

Mr. and Miss Bohannon came to Glendale from Los Angeles and have been renters for several years not wishing to establish themselves permanently until sure of their preference for this city. They are now satisfied it is where they wish to be and they are making provision accordingly.

TRUSTEES' MEETING

(Continued from Page 1)

Application to Conduct Auto Passenger Service

An application was presented from Dick Mansfield for permission to conduct auto passenger service, it being approved by the City Marshal, was on motion of Trustee Jackson granted.

Demands

Demands were presented and referred to the Finance Committee. Later, the Finance Committee reported back demands approved, and on motion of Trustee Shaw, warrants were ordered to be issued in payment of the same.

A communication addressed to City Attorney Evans was read from the Railroad Commission of the State of California replying to the City Attorney's letter of September 12th written on behalf of the American Agar Co. regarding the refusal of the Southern California Gas Company to supply the Agar Company with industrial gas. The communication stated that the Commission is advised that the Gas Company is supplying about all the consumers it can accommodate at the present time, and it is unlikely that continuous service can be guaranteed to any new industrial consumer. The Commission is investigating matters similar to this and will advise later of the result. Communication filed.

The City Attorney reported in reference to a bill of the City of Glendale against F. P. Newport previously referred to him, to the effect that the same has been paid.

Petition for Calling Bond Election

The City Clerk reported the filing of a petition which he presented to the Board signed by several hundred registered voters of the City of Glendale requesting that the Board of Trustees submit to the qualified electors of the city at an election to be held in accordance with the law, a proposition for the acquisition, construction and completion of certain municipal improvements in connection with the combined development of the water works and system and the electric light works and system, and providing for the issuance of bonds therefor in the sum of two hundred and sixty thousand dollars ($260,000.00). On motion of Trustee Shaw it was ordered that the petition be referred to the City Clerk to check up the same on the great register of the county and report to the Board the number of qualified voters whose names are attached to the petition.

SCHOOL BOARD MEETING

The Board of Trustees of City Schools, of which Mrs. Arthur C. Brown is president, met in regular session at the Intermediate School Thursday evening and was addressed by the representatives of two firms of architects, viz.: Mr. Jeffrey representing Jeffrey & Shafer, and Walker & Hutchinson, both of the gentlemen last named being present. Messrs. Alfred Priest and Arthur G. Lindley, who had addressed the Board at previous sessions, were also in attendance. No action was taken and the Board adjourned subject to call for a special meeting at which it will decide upon the architect who will direct its building operations.

BLOOMERS AT WEBB'S

The Gymnasium Bloomer has been adopted by the school authorities of Glendale as the regulation garment for gymnasium work in all grades.

This bloomer was selected because it is made over a pattern especially adapted for gymnasium work; of the finest quality of sateen; and has a national reputation for quality and comfort.

When the manufacturer learns of the selection of this garment by a school he places it on sale at the leading dry goods store of the city.

THEREFORE THE GYMNASIUM BLOOMER CAN BE PURCHASED IN GLENDALE AT THE H. S. WEBB & CO. STORE ONLY.

LA CRESCENTA

Mrs. H. M. Carpenter spent Friday and Saturday of last week in Los Angeles.

Leland Wise entertained two of his Los Angeles friends last Friday.

Mr. and Mrs. Ed Edmund, who were renting Mrs. Hall's place, moved to Santa Monica last Thursday.

Mr. and Mrs. H. E. Bruce had as guests last Sunday, Miss Helen Van Coughnet of Glendale and Mr. and Mrs. H. Heverin and children of Alhambra.

Mr. and Mrs. Joe Hingston and children motored to Venice Sunday of last week, where they spent the day.

All La Crescenta was excited last Tuesday at seeing Miss Chochet's house in flames. The fire started at about four o'clock and was caused by the explosion of a coal-oil stove. A vain attempt was made to save it and the people who were renting the place saved only a small amount of their belongings.

There will be a dance tonight at the schoolhouse as usual. Admission 25c.

Miss Florence Bruce was the guest of her friend, Miss Pauline Phillips, of Glendale, last Friday.

Mr. and Mrs. Ernest Erhardt have been entertaining friends for the past week.

Advertise it, or advertise for it in the Evening News.

Personals

Mrs. Ernest Morgan of 1123 South Central avenue is recovering from a severe cold which confined her to the house for about two weeks.

Mr. and Mrs. Grover Adams, who have been living in Virginia Place, have purchased property on West Maple street, of which they have recently taken possession.

The Pecoy and Stubbs families of 432 Palm Drive are having the very great pleasure of entertaining relatives from the east, Mrs. Minnie Fuller and sister, Miss Ida Woods and their cousin, Miss Ency Price, all of Waterman, Illinois.

Edwin Sadler, who has been making surveys for the City of Los Angeles in Inyo county, has completed his job there and is expected to return to Glendale the last of the week. His mother and sisters hope he will remain permanently.

Waldo Yard has so far recovered from an attack of para-typhoid with which he was stricken in July that he has been able to resume his studies in school, though still a little weak. He was confined to his bed for three weeks and his illness was attributed to bad drinking water.

Mrs. C. G. Woods and family, who have been living at 121 West Eulalia, are moving Monday to a house they recently leased at 1136 East Colorado. Mrs. Woods is entertaining her son, William Woods, who has come from Pittsburg to spend the winter and who may locate permanently.

The young people of the Live Cole class of Central Christian Bible School are making great preparations for their Oriental Bazaar, which is to come off tonight in the church bungalow. They are anticipating a very pleasant time as they have prepared a very pleasing program, one part of which is a mock trial.

MASONIC NOTICE

Unity Lodge, No. 368, F. and A. M., will confer the Third Degree, Saturday evening, Sept. 27th. commencing at seven o'clock. Masons cordially invited.

R. W. MASTERS, W. M.
A. W. TOWER.

Miss Annie Chase of 1471 East California and Miss Mary McOmber of 1530 East Broadway returned Sunday from a week's sojourn on Mount Lowe.

A. J. Van Wie, desk sergeant of the Glendale Police Department, has disposed of his home on West Cypress avenue and is now residing temporarily with his wife and boys in an apartment at the corner of Brand and Broadway.

A farewell dinner was given Thursday evening at the home of Miss Helen Bettis, 401 Palm Drive, in honor of Miss Adele Drake, who leaves for Mitchell, North Dakota, today, to spend the winter with relatives. Miss West of 800 San Rafael avenue and Miss Bettis acted as hostesses, the table and dining room being beautifully decorated with roses, carnations and ferns.

A meeting of the Columbus Avenue Parent-Teacher Association was held Thursday afternoon at the schoolhouse, Mrs. H. V. Henry, the official head of the organization presiding. It was an informal get-together social afternoon, a brief talk being made by Mrs. A. A. Barton, president of the Parent-Teacher Federation of Glendale on the proposed work of the year.

C. A. Diehl, who has been living for some time on Oscar Miller's property at 1004 Boynton street, was considerably surprised a few days ago when a man came to him and said he was looking at the place with a view to buying it. Mr. Diehl at once hurried to see Mr. Miller, meaning to buy it himself, but was too late. He will move next Tuesday to 1215 South Glendale Ave.

Dr. and Mrs. Colin Cable of Columbus avenue and their house guest, Judge R. E. Cable, of Kansas City, were dinner guests Thursday of Mr. and Mrs. Haskell Lapham, of West Broadway, remaining for a social evening. Today Mrs. Cable is a guest at a luncheon which is being given by Miss Beatrice Sampson of Canada at Hotel Alexandria. The luncheon will be followed by a theatre party.

Mrs. David Cunningham of 602 N. Orange street entertained with a duck dinner Thursday evening a party of friends consisting of Mr. and Mrs. E. N. Weaver and sons Fred and Irwin of Pioneer Drive, Mr. and Mrs. R. H. Staniland of Los Angeles, and Mrs. A. H. Hamilton of 141 S. Pacific avenue. Marigolds and zinnias from the garden of the hostess were effectively employed in floral decoration and guests remained for an informal social evening.

Mr. and Mrs. T. B. Nichols of Verdugo Road will return to their commodious country place on September 30th, after enjoying the summer season at their summer residence in Hermosa Beach. Immediately following their return they will hold a large reception at which time many notable society people of Los Angeles and Glendale will participate in welcoming them home for the winter season. This will be the first of many delightful social events of the year at their charming estate in Selvas de Verdugo.

Amos C. Williams, of Altus, Oklahoma, surprised his cousins, Mrs. Clifford Cole and Miss Eva Garton, Wednesday last, by suddenly walking in on them as they were starting for Pasadena. He came out with three friends in an auto from Altus to Ventura, and thence by train. He has a large jewelry store in his home town, but he had not breathed Glendale air for a day until he began looking around with a view to locating out here, either by buying out some jeweler or moving his stock to Glendale. He will visit another cousin in Pomona and a relative in Los Angeles before joining his party for the return journey.

ALLEN—NELL

A very pretty wedding was solemnized last evening at the home of the bride on Stanley avenue. The contracting parties were Arthur F. Allen, of Los Angeles, and Miss Stella M. Nell, daughter of Mr. and Mrs. Frank Nell. To the strains of the Processional Wedding March, played by Miss Elizabeth Mottern, the bride and groom approached the beautiful palm arch to plight their troth. The bride was given away by her mother. The beautiful ring ceremony of the Lutheran Church was used by the pastor, Rev. R. W. Mottern, who performed the service. After the usual congratulations and felicitations a most bountiful supper was served. The wedding cake, of an unusually pretty and beautiful design, was cut and distributed by the bride and groom. The groom is a laundryman of Los Angeles, while the bride had been employed in a department store for several years. After all was over the party left for Los Angeles where they have planned to make their future home. Those present to witness the ceremony were Mr. and Mrs. Nell, father and mother of the bride, Mr. and Mrs. C. I. Nell, cousins of the bride, and their son Wayne, Mrs. Mary Natan, sister of the bride, H. C. Greenlee of Los Angeles, a friend of the family, and Rev. and Mrs. R. W. Mottern, Elizabeth and Dorsey Mottern.

NEW RESIDENTS

C. H. Thompson, of 131 North Brand boulevard, has been the agent through whom a number of new residents have been established in Glendale. His list of recent transactions includes the sale for Mrs. M. E. Gardner of her residence property at 335 North Maryland to Mr. and Mrs. Worthington who recently came to Southern California from Kansas. Mrs. Gardner has not left Glendale but is now living on Myrtle street.

The property at 606 Vine street, which has been occupied by Mrs. Landry has been sold by Mr. Thompson to Mr. Fenton who for many years was a Deputy United States Marshal on the Oklahoma border where he had many adventures and hazardous experiences, and who has more recently been Chief of Police at Cleveland, Oklahoma.

Another sale negotiated by Mr. Thompson was the property of Mrs. Litchfield on Vine near Columbus which was bought by John Scantling. Mrs. Litchfield has gone to Los Angeles.

Mr. Thompson says that the call for houses on the part of would-be purchasers is increasing at such a rate that it is beginning to be difficult to keep a list sufficient to meet the demands of buyers. As soon as the high cost of building is reduced he prophesies a tremendous demand for building lots. Just at present they are a little slow because of the cost of improvement.

MRS. MOORE ENTERTAINS

Mrs. George Moore of 221 West Elk Ave. very pleasantly entertained about forty friends and members of the Ladies' Aid of the West Glendale M. E. Church Wednesday afternoon. A musical program, which was very much enjoyed, was given by Mrs. Mabel Capell and Mrs. Harry V. Brown and daughters. A pleasant feature of the function was the presentation to Mrs. D. W. Henke of a bronze clock as a token of the love and esteem in which she is held by the church. Mr. and Mrs. Henke and family, who have been living at 462 Burchett street, will leave next week for Dallas, Tex., where they will make their future home. Refreshments of ice cream, cake and coffee were served by the hostess at the close of the afternoon and a pleasant social hour was enjoyed.

PICNIC AT BROOKSIDE

The Intermediate Department of the Sunday School of the First Methodist Church will picnic at Brookside Park, on Saturday. A special invitation has been given the parents to attend and enjoy a good time. Mrs. Thomas Meagher, the Superintendent of this Department, will be assisted by A. W. Tower, C. W. Ingledue, L. C. Leeds and A. G. Lindley.

Would you rather leave your wife $10,000 or $50 a month for life? She would appreciate either.

The Home Life Insurance Company of New York provides this protection.

For information phone M. F. Smith, Glendale 2098-R. 14t11

Special Notice of Sunday Closing

We, the undersigned druggists, have agreed to co-operate with the surrounding towns and city in Sunday Closing hours. In this regard we believe no one will be inconvenienced as we will be closed only between the hours of 1 to 5 P. M. This will give all ample time to purchase necessities prior to our closing hours.

We hope that this will meet with the approval of our friends and patrons.

The Right Shoe For Your Foot

Just any shoe doesn't suit your foot. It has individuality. It's our business to show you the very shoe your foot needs for looks, wear and comfort.

May We?

We believe in giving Service. While selling shoes is our business, we want to do more than that. We want every pair of shoes we sell to be COMFORTABLE, and they *can't* be if the foot they are worn on is ailing. That is why we have a

Graduate Practipedist

here to examine feet, without charge, and give advice as to how easily

Immediate Relief

can be obtained. He is prepared to demonstrate to your satisfaction, on your own foot, that

There is a **Dr Scholl** *Appliance or Remedy For Every Foot Trouble*

and that foot discomforts can be made mere memories if you but say the word.

This expert on feet knows his business. He is a graduate of the

American School of Practipedics

of Chicago, and he is here to serve you.

TUJUNGA

William G. Colby, a former resident of this valley, and a nephew of M. V. Hartranft, recently died in China of appendicitis. Young Colby was a missionary for the Christian and Missionary Alliance and was a brother of Marshall H. Colby who is now at school in Andover, Mass.

Over 36 lots were sold here in the town of Tujunga last Sunday and Mr. Hartranft states that he confidently expects to add from 100 to 200 population to this town during the next year. Mr. Hartranft caused the prices to be cut severely on property here last year in order to induce population. As a result of the campaign last year Tujunga gained 28 new water users, got impetus for a new start and is now in full swing running ahead in development and new population of any two of its neighboring competing villages.

Mr. Hartranft says that the solution of the water problem is simply one of having enough users to easily provide the income necessary for maintaining a perfect system for the abundant supply which we enjoy from our watersheds. The amount of water available is unlimited, but we must have users to pay interest on the money that will have to be raised to properly develop it. With several hundred more new users the system could be doubled in size and the rates very materially lowered at the same time. There is enough profit in the winter from the use of domestic water by gravity to pay all the costs of pumping during the summer, but so long as that winter water runs to waste instead of running through meters the district will not develop.

Such strenuous times as the people of this valley have had in the past three or four days will never be forgotten by all who have lived through it. Just six years ago we had what we called a large fire on the south side of the Sierra Mountains that burned off our watershed and in the following February came the great flood down the denuded sides of the mountains and ruined many acres of the Tujunga and Sunland lands. This year it began in Pacoima Canyon and swept up the Little and Big Tujunga Canyons and for four days it has been a long line of fire, a veritable hell, that the men have fought night and day to prevent the destruction of the Tujunga and Pacoima watersheds. Today (Wednesday), the fire is behind Lukens Peak down to Little Tujunga and the fighters imported from Pasadena and Glendale are striving to protect the watershed of Haynes Canyon and the Arroyo Seco. Too much cannot be said in thanks for the volunteers from our valley who left their own work and plunged into this inferno to help stay the onrush of the flames. Above all, we cannot praise enough the constant work, day and night, of Dr. C. C. Buck, who has not only called for help, but for the last few days and nights has kept in touch with the situation and on Tuesday morning in the dark he went to a number of houses and called them to help to protect our own watershed. This fight at Lukens Peak is still on, but as yet has not crossed over to the Haynes Canyon watershed. Philip Begne has charge of the crew at the Big Tujunga off of Walnut Drive.

Mr. Fitzgerald aeroplaned from Los Angeles to Tujunga to look after the fire conditions in the Tujunga Canyon back of his ranch which on Tuesday the flames were threatening to enter at his back door, at the end of Fitzgerald Canyon. All felt that a crew of men would have been a great help at this time rather than an aeroplane that the smoke so obscures and a correct estimate of conditions cannot be made.

Mr. and Mrs. Wright of Sunset boulevard went into Los Angeles on Wednesday. Mr. Wright has been quite ill for the past week and has gone in for medical treatment.

Mr. Mighell of Chicago arrived on Tuesday for a visit with his wife and daughter, who have been here for a number of months.

The largest boys from our school were called into fire service on Wednesday to carry water and food for the fire fighters.

Miss Lois Wieman and Miss McElvey left on Saturday by auto for Orosi in Tulare county, where they will teach this year.

The ladies of Tujunga prepared four large sacks of sandwiches and sent up to Luken's peak to the men working there. After the work was finished the ladies sat down to a lunch of crusts, peanut butter and coffee. Mrs. Darlington was to supply the milk for the coffee, but when we sampled it out of the can found she had tomato soup instead of milk.

Miss May Russell of Los Angeles purchased the old Smith place on Sunset boulevard of Dean & Co. and will at once rebuild the house, and make her home here.

The Adams Cannery has closed for a few days in order to let the men working there fight fires in Tujunga Canyon.

A number of residents of Tujunga packed their goods and went to the city fearing the fire would burn us out, yet at no time has Tujunga been in danger, but some people get unnerved at fire and stampede. It has been very warm and the fires made it warmer.

Mr. and Mrs. Wallace Wieman will soon leave here and locate on a ranch near Fresno.

If the parties who broke into the Holmes cottage and carried the bedding outside will call on Dean & Co. they can recover their coat, necktie and hairpins, also the return of two lengths of hose.

FRESH MEATS
